Access ATX Launching Twisted Texas Tours this September

Launching on **Saturday, Sept. 23, 2017**, Twisted Texas Tours offers entertaining new ways to discover Austin's weird, wacky and wild sides. Twisted Texas has two signature tours, the Comedy City Tour and the Live Music & Brewery Tour, that offer visitors and locals alike one-of-a-kind Austin experiences infused with risqué comedy, unusual histories, live music and, of course, the option to bring your own adult beverages.

Comedy City Tour

Twisted Texas' Comedy City Tour is an unforgettable musical-comedy extravaganza on wheels. Led by sidesplitting guides, this tour shows off Austin like it's never been seen before. Scandalous gossip, dark twisted history, and of course, all the ways Austin is "Keepin' it Weird" are discussed between quips and musical numbers on this rolling variety show. The tour departs from Irene's at 11 a.m. on Saturdays and Sundays and runs for two hours with a break in the middle for restrooms and beverage refills at the favorite local watering hole, Lazarus Brewing. Due to the adult humor and adult libations (did we mention this tour is BYOB?) the age minimum for participants is 13 years-old.

Live Music & Brewery Tour

Twisted Texas' Live Music and Brewery Tour puts the party on wheels and combines two of Austin's favorites, music and beer. This two-and-a-half-hour tour departs from Waller Creek Pub House every Saturday at 2 p.m. and takes guests to two local breweries for tastings and a behind-the-scenes look at Austin's booming craft beer industry. In between brewery stops and beer samples, a local band rides aboard the tour bus providing entertainment and showing guests why Austin is the 'Live Music Capital of the World.' Lucky for riders this boozy, jammin' tour is also BYOB and has an age restriction of 21 or older.

Meet Meagan Fritts

Austin-local Meagan Fritts is the founder and operator of Twisted Texas Tours. After graduating from the University of Arkansas with a B.A. in Advertising and Public

Relations, Fritts received a certification in Tour Management from the International Tour Management Institute. Fritts worked as a Tour Director at Collette Vacations for five years leading groups through six South American countries and across the U.S. and Canada. In 2015, Fritts returned to Austin from her life abroad and founded her first business Access ATX, a local explorations company that crafts premium Austin experiences for locals and visitors. After finding success with her private touring company, Fritts decided to expand the business with Twisted Texas Tours to show off the wild sides of Austin that make Texas' capital city one of the funkier towns in the south.
